

# Compliance Assistance Team FLOWCHART

NOTE: All archaeological clearances, land permissions and NEPA (If applicable) shall be completed. Contact Leigh Kuwanwisiwma for additional information regarding NEPA compliance.

Proponent contacts OCPED or Realty

OCPED or Realty Provides proponent with CAT packet; notifies CAT of project and schedules a meeting with the proponent

**CAT Meeting:**

1. Meet members of the CAT team
2. Proponent describes the Project and the CAT explains the Process
3. Review Packet Information/ Go through Checklist
4. Advise proponent of any additional project requirements/needs

Ordinance 55 applies

Ordinance 55 does not apply

Proponent submits application to OCPED

OCPED Notifies CAT (10-business day review)

Items to be submitted concurrently with the application	
1.	Submit EPP to HEPO
2.	Apply for Business Licenses
3.	TERO Compliance
4.	NEPA Compliance
5.	All Appropriate Land Permissions

Proponent submits completed CAT checklist to Realty

Realty notifies CAT

CAT reviews checklist, if any changes needed, Realty compiles comments and sends to proponent

CAT submits comments to OCPED within 10 business days; (If no response, OCPED will continue with the application Process)

**IF CHANGES ARE NEEDED**  
OCPED compiles comments & sends to proponent for changes

**NO CHANGES ARE NEEDED**

Proponent resubmits application with corrections - OCPED notifies CAT of resubmittal (5-business day review period)

Proponent resubmits application with corrections - Realty notifies CAT of resubmittal (5-business day review)

If no further changes are needed, Realty prepares an Action Item and Resolution (If necessary)

If no further changes are needed, OCPED prepares Action Item & Resolution
